**ABSTRACT** The tribal adolescents in the age group of 15-20 years were selected for the study to know their religious beliefs. A total of 300 respondents were selected from Kinnaur, Lahaul-Spiti and Chamba districts of Himachal Pradesh. The findings indicated that almost all the respondents still had faith in supernatural powers. Regarding participation of respondents in religious activities, half of the both male and female respondents observed religious activities daily in the form of prayer and the remaining performed it sometimes.
