

Ethnobiological Analysis From Myth To Science : IV. *Kaliyuga* – The Descending Human Ethical Environment

K.K. Panigrahy, G.K. Panigrahy, S.K. Dash and S.N. Padhy

KEY WORDS *Kali Yuga*. Present Scientific Age. *Kalki Puraana*. Futurological Perspective. Human Ecology.

ABSTRACT According to the philosophy of incarnations as per Hindu Mythology, the human race is awaiting for the appearance of God in the form of *Kalki Bhagawaan* to balance the cosmic ecology from ethical, physical and biological depletion. The contents of the paper are based on analysis of *Kalki Puraana*, which focuses that the incarnation represents in dual forms i.e. the scientifically developed man of the present age (*Kali Yuga*) - the cause of the system and the self destructive motive of human activity - as its effect, represents the *Kalki Bhagawaan*.
